This course will acquaint students with both the Hebrew (Old Testament) and Christian (New Testament) Scriptures, as well as how to use the Word of God in their prayer life. The purpose of this program is to familiarize students with the Bible, to create a firm foundation for their Catholic faith, and to help them to develop a deeper love and respect for Scripture. Group work is an important tool used in this course to promote knowledge acquisition. There are four aspects to this course: Hebrew Scripture; Christian Scripture; Praying with Scripture; and Christian Service. There is no final exam for this course.
