New Business:

Meet the Teacher - Meet the Teacher is next week, Wednesday September 23, 2009 and supper starts at 6:00 pm. There are 220 students enrolled at the school this year and 71 of them are grade 9 students. After looking at the expenses that were spent last year for meet the teacher it was decided that we would cater. Food menu was discussed and it was decided that beef on a bun with coleslaw, chips, cookies, coffee, juice and water will be served. Since there was an excess amount of food left over last year it was decided we would order for 160 people this year. Bev will call and order the food and pick up potato chips. Bonnie will buy lunch plates, glasses, mustard, food handling gloves and flowers for 20 tables. Annette will look after the beverages and salt and pepper. Susan will be asked to look after the cookies (6 dozen). Set up will start between 3:30 and 4:00.

Fundraisers – The Guild has decided that we will again have three fundraisers this year; International Night, shops and the sausage fundraisers. It was felt we need more meetings prior to our major fundraiser (International Night) and that a separate mail out may have to go out for the shops fundraiser due to time constraints. The Guild will be meeting every two weeks until International Night. The next three meetings are Tuesday Sept. 29, 2009, Wednesday Oct. 14th and Wednesday Oct. 28th. Tickets for International Night will remain \$10.00 for adults and \$7.00 for kids. Joanne will look after having the tickets printed and a donation request letter written. Annette will take all parents volunteer forms for International Night to organize into a spread sheet.

Linkletter – Annette will look after writing a brief note from the Parents' Guild including the dates of our next meetings and announce the fundraisers for the school year. The ticket request form for International Night should also be included in the next linkletter.

Bonnie will send an email to everyone regarding plans for Meet the Teacher and the dates of the next three Guild meetings.

Meeting adjourned:
At 7:55 PM.

Next meeting:
